Test Unit 9

On summer holidays, I like going to my grandpa's farm with my family. He has a big house. We play, sing and watch TV. When we are bored, my grandpa always tells us stories. He has a lot of stories in his bedroom. We sit around him and he reads the story and we listen to him carefully. Then, he asks us some questions about the characters, the events, the setting and the moral. We learn many things from these stories. I always remember my grandpa's stories.

Test Unit 10

Akram lives with his small family in Cairo. He lives in a big apartment. He has two sisters. He spends a lot of time with them. They like going shopping in the near shopping mall. He wants to buy some food and a new phone. He doesn't like going to the park because the children there are noisy. On Friday, he visits his uncle on his farm in the village. There, he sees many animals. He likes the horses and the cows.

Test Unit 11

I volunteer at a day center for old people. Some old people can't open glass bottles and jars. Their hands aren't strong enough. So they use a multi-grip to take off the tops. Hold the jar with one hand and put this on the top. Hold this part with your other hand, and then turn it around. It's really easy to use.
